

CISCO Phones Compatibility

Your CISCO IP Telephony Phone System works great with our service!

- No equipment purchases are required!
- No tapes, cartridges, CD's to manage
- Individual departments can play messages specific to their callers if they want!

Don't let canned elevator music decrease your caller's impression of your community college.

We'll design a customized music and message on-hold program that delivers the right information and ...the professional image you want.
